## COOLJET AFTERCARE FORM

**Must be provided** to every patient/client

- ✦ Avoid Sun, Heat, Exercise, Steam, Sauna and Make-up for 12 hours post treatment
- ✦ If sunblock is applied, cleanse your skin tonight and apply active ingredients of a low molecular weight as per the skin care regime that you have been recommended and given by your professional CoolJet Technician.
- ✦ Avoid heavy filmogenic creams post treatment eg over the counter non-professional products for a minimum of 24 hours post treatment
- ✦ Arrive for your next treatment with cleansed, make-up free skin
- ✦ Ensure you complete the course of CoolJet sessions to gain optimal results
